DEDICATION

JOHN OLSON

1957-2013

On Sept. 7, 2013, John Olson, the man who penned the music and lyrics to the State of Hockey Anthem, lost a yearlong battle with cancer. And the Minnesota Wild lost a dear friend.

John truly was one who was "born the child of the strong and Wild." He not only embraced life, but squeezed every single ounce out of it—and he inspired others to do the same. John was everything rolled into one: a writer, a musician, an entrepreneur, a philanthropist, and the founder and namesake of the advertising agency the Wild has worked with for the past 15 years: Olson.

John and his agency helped bring the idea of the State of Hockey to life. He personally pushed for, and took on the role of, creating an anthem for the team and the state in our inaugural season. A song that heralded our history and love of the game. A song that celebrated the team and its fans. A song, that no matter how corny you might feel doing it, you can't help but sing along to. It's based on Irish pub songs. Yes, John was Irish. How's that for Minnesotan? An Irishman named Olson.

As passionate as he was about the team, John was even more passionate about the role the fans play in the team's success. He was a big believer, in fact, that the fans are the true owners of this team. He believed that they are the reason the NHL came back to Minnesota. And that is the inspiration from which the State of Hockey Anthem was born.

So, while some people fly their flags at half-mast after the passing of a friend like John, we see it as only fitting to keep, "Our flag flying high and free."

Regarded as one of the finest arenas in the world, Xcel Energy Center is a one-of-a-kind multi-purpose sports and entertainment facility that is home to more than 150 sporting and entertainment events and roughly 1.5 million visitors each year.

Xcel Energy Center opened its doors on Sept. 29, 2000, when the new National Hockey League (NHL) franchise Minnesota Wild took on the Mighty Ducks of Anaheim in a preseason contest and claimed a 3-1 victory. The Wild hosted sellout crowds for 409 consecutive games over the first nine seasons of existence.

Built to showcase the game of hockey, a "State of Hockey" tribute pays homage to the state's official sport with exhibits throughout Xcel Energy Center. One of the first things visitors notice is the ring of hockey jerseys representing every boys and girls high school hockey team in Minnesota.

Four separate concourses on four seating levels, plus the Al Shaver Press Box on the fifth level, provide configuration capabilities to seat more than 20,000 guests.

Xcel Energy Center's wide-open concourses - measuring as much as 70 feet in width - offer guests an open view of every event. Each of the four levels was strategically designed to create great sightlines and superior acoustics.

There are 74 executive suites; 12 on the main concourse and 62 on the Executive Suite Level. The RBC Wealth Management Club Level features leather seats, an exclusive merchandise store, and upscale food and beverage options anchored by Headwaters Bar & Restaurant.

In 2012, the Bud Light Top Shelf Lounge was added– an all-inclusive loge area on the west end of the RBC Wealth Management Club Level. The lounge has a Scandinavian influence and includes 24 loge boxes, a canoe-inspired bar, sustainable lighting, an exclusive club area, a complimentary buffet, a private bar and iPad access.

One of the most eye-catching elements inside Xcel Energy Center is the electronic display system that includes a 360-degree video ribbon board and an eight-sided, 50,000-pound scoreboard.

Xcel Energy Center was the first NHL venue to offer AT&T Wi-Fi. Inside the venue, there are 274 Wi-Fi access points covering seats, concession stands and concourse areas. Fans can easily connect to the AT&T Wi-Fi network, and visitors with an AT&T smartphone or device can automatically connect without any log in required. New in 2013 is the addition of the official Xcel Energy Center app. The new app features push notifications for up-to-the-minute details on events, tickets and special offers. Plus, interactive social media features help you plan the night with your friends and checking in gets you insider news such as set times and behind the scenes photos.

Xcel Energy Center has been recognized as one of the best venues worldwide for sporting events, concerts and family shows. ESPN The Magazine has ranked the venue six times among the top three for "Best Stadium Experience" in all of professional sports (2003-2004, 2007- 2010) and ESPN fans voted it the "Ultimate Crib" in the magazine's 2009 "Ultimate Standings." Xcel Energy Center was named "Best NHL Arena" by SportsBusiness Journal/SportsBusiness Daily in its 2006 Reader Survey, and recognized for the "Best Fan Experience" by Forbes magazine in its 2006 "Business of Hockey" report. Sports Illustrated named the arena its "top choice" among NHL buildings in its 2006 NHL Preview issue. In addition to hockey, Xcel Energy Center has been nominated nine times (2001-2003, 2005-2010) for "arena of the year" by leading concert-industry publication Pollstar magazine.

XCEL ENERGY CENTER

Some of entertainment's most legendary performers have dazzled Xcel Energy Center audiences including: Madonna, Bob Dylan, Elton John, Taylor Swift, The Police, Rolling Stones, Barbra Streisand, Paul McCartney, Luciano Pavarotti, Billy Joel, Lady Gaga, Rod Stewart, Tim McGraw & Faith Hill, Kenny Chesney, Neil Diamond, Bruce Springsteen, John Mellencamp, Bon Jovi, Simon & Garfunkel, and three consecutive sold-out shows by hometown-favorite, Prince.

Each spring, Xcel Energy Center becomes Minnesota's sports epicenter, hosting four straight weeks of athletic tournaments. Two of the most storied events include the Minnesota State High School League (MSHSL) Boys' Hockey Tournament and in 2014 the inaugural Big Ten Men's Ice Hockey Tournament plus the 2014 NCAA Men's Ice Hockey West Regional. Attendance marks are routinely broken each year as hockey-crazed fans clamor for tickets to these destination events.

Xcel Energy Center has hosted several world-renowned events in its history including the 2011 and 2002 NCAA Men's Frozen Four, 2011 NHL Entry Draft, 2011 and 2006 USA Gymnastics' Championships, 2008 Republican National Convention, 2008 U.S. Figure Skating Championships, 2004 NHL All-Star Weekend and the 2004 International Ice Hockey Federation World Cup of Hockey. And, will be the host of the 2016 U.S. Figure Skating Championships.

This unique, multi-purpose arena is located in the heart of downtown Saint Paul, owned by the City of Saint Paul and managed by Saint Paul Arena Company, an affiliate of Minnesota Sports & Entertainment. For more information visit xcelenergycenter.com

MINNESOTA WILD FOUNDATION

MINNESOTA WILD FOUNDATION

THE MINNESOTA WILD FOUNDATION EXISTS TO SUPPORT THE GAME OF HOCKEY AND TO IMPROVE THE LIVES OF FAMILIES IN THE STATE OF HOCKEY.

Thanks to the generosity of our fans and devoted partners, the Minnesota Wild has had the ability to make positive and lasting contributions to our community. The Minnesota Wild Foundation is committed to supporting the game of hockey, touching the lives of countless ill and underprivileged children and their families throughout "The State of Hockey" and focusing on building and enhancing key community relationships.

The Minnesota Wild Foundation, with help from Wild players, raises money for pediatric medical causes at events like "Wild About Children." In addition, the Foundation has assisted several 501(c)3 organizations raise funds through an in-arena 50/50 Raffle, allowing designated non-profit beneficiaries to hold raffles during a Wild home game and take 50 percent of those ticket sales back to their organization. The Foundation serves as the largest non-member funding source for Minnesota Hockey and provides fundraising opportunities for youth hockey associations across the state.

Since our inception in 2000, the Minnesota Wild has invested over seven million dollars back into our community through donations and service. Wild players remain committed to helping kids in many ways: by visiting sick children in hospitals, embracing a specific cause, donating tickets or suites local children's charities or providing autographed merchandise for fundraising. Player's "Better Halves" get into the action as well, serving meals at Ronald McDonald House, hosting Wild bingo at Children's Hospital and raising funds through sales of mystery pucks and the "Favorite Things" basket auction.

As an organization, our work in the community and on the ice, is never done. We pledge to continue raising funds and giving back to our community, while being inspired by our passion for hockey and our compassion for those in need.

2013-2014 MINNESOTA WILD
MEDIA

MEDIA POLICIES AND PROCEDURES

ACCESS: The Minnesota Wild organization and Communications department strive to make its players, coaches, management and other personnel available in a timely and responsible fashion to all accredited members of the media.

CREDENTIALS: Press seating at Wild home games at Xcel Energy Center is available to accredited media in the Al Shaver Press Box located on the south side of the Xcel Energy Center's press level. Single-game credentials must be requested 24 hours prior to a game and by 3 p.m., Friday for a weekend or Monday holiday game. Credential requests can be made through the Minnesota Wild media website at www.wild.com/pressbox. Once approved, single-game credentials may be picked up at the media entrance near Gate 1, located on the southeast entrance of the Xcel Energy Center on Kellogg Boulevard. The elevator to the pressroom and press box is located in the southwest corner of the Xcel Energy Center near Gate 2. Due to occasional limited press box seating, those requesting single-game credentials will be seated on an as-available basis. Those persons holding full-season Wild or NHL Team Management credentials MUST enter through Gate 1.

DAY-OF-GAME INTERVIEWS: After completion of the morning skate, which typically begins at approximately 10:30 a.m. (for a 7 p.m. start), is the best time to interview players and coaches on a game day. Following a practice, the Wild typically makes players available to media first followed by the Head Coach. Requests to interview a player upon his arrival to Xcel Energy Center for the game will be accommodated upon the player's and coach's approval and should be requested at the morning skate. If the team is not practicing, the request should be made to the Wild, or visiting team public relations department, no later than 10 a.m. on the day of game. The Wild Communications department cannot guarantee access to players or coaches if no practice is scheduled. Interviews that need advance preparation or special accommodation by a Wild player or staff member, such as live television and radio interviews should be made by contacting the Wild Communications department no later than 10 a.m. on the day of the game.

DAY-OF-GAME PRACTICES: On home game days the Wild will typically take the ice at 10:30 a.m. The visiting team's practice usually starts at 11:30 a.m. Call the Wild Communications department if there is a question regarding either team's practice schedule.

LOCKER ROOMS: NHL locker rooms close 90 minutes before game time. Requests for interviews to take place before the locker rooms are closed will be accommodated only upon prior approval by both the player and coach. The rooms will re-open five minutes after the game and remain open for 30 minutes. The officials' locker room is off limits to the media. Should a comment or interpretation from the game's referee or NHL supervisor be needed, contact a member of the Wild Communications department and a pool reporter may be assigned.

LOCKER ROOM GUIDELINES: The NHL prohibits media from using cell phones in locker room areas, including taking calls, photos and other cellular activity. Cell phones can only be used by media to record audio (not video). The Minnesota Wild does not allow anyone to step on the Wild logo located at the center of the locker room.

PHOTOGRAPHERS: Only those photographers on assignment will be allowed access to designated photography locations at rink level and in overhead positions. Xcel Energy Center spaces are accessible to local dailies and wire service photographers. Two photography positions are reserved for Wild team photographers. Additional photography positions are determined on a first-come, first-served basis; however, in cases of increased photographer attendance, positions will be assigned by team photographer, Bruce Kluckhohn. In all cases, photographers should check in with Bruce Kluckhohn in the pressroom before the start of warm-ups. Because of very limited photography locations, it is not possible to accommodate freelance photographers.

PRESS DINING ROOM: Media possessing season credentials or those granted single-game credentials are invited to have a meal before each game in the press dining room, located on the lower level (Xcel Energy Center's south side). The Minnesota Wild charge media $11 to eat in the press dining room. The room opens two-and-one-half hours before game time. Dining room usage is limited to those presenting valid Wild credentials or NHL Team Management passes. It is impossible to accommodate family members, friends, guests or others. Any abuse of dining room privileges may cause forfeiture of a media pass. Refreshments are also available in the press box during the game.

TELEVISION COVERAGE: All television stations are prohibited by the National Hockey League from shooting and distributing game footage of any contest that is being broadcast from Xcel Energy Center by the Minnesota Wild, the visiting team or network television. Requests for special features and the like should be directed to the Wild Communications department.

MEDIA PARKING: The Wild Communications department will issue full-season parking passes to media expected to attend the majority of home games throughout the 2013-14 season. All other parking requests will be handled on a per-game basis and are subject to availability. Media parking is located in the RiverCentre Parking Ramp across Kellogg Boulevard from Xcel Energy Center. The ramp has two entrances: on Kellogg Boulevard and on Exchange Street, which can be accessed via Eagle Street (at the Kellogg and West Seventh intersection). To enter the arena, media should take the West elevator to Skyway Level and enter the arena through the skyway entrance to Gate 1. An alternate option is to cross Kellogg Blvd. and enter through the main entrance at Gate 1. Media parking is available in the RiverCentre Parking Ramp for all practices and morning skates by showing a parking attendant your Minnesota Wild media credential and/or your company issued media identification. A Wild media credential and/or company issued media identification will not allow you access to the parking ramp for games.
